## **RESEARCH INTERESTS**

1. Client and provider responses to health system access barriers
2. Health system quality assessment and performance measurement
3. Long-term care services organization and delivery for individuals with mental illness
4. Primary Care – Mental Health Integration: Impact on recognition of need; decisions to seek and provide health services; access and quality
5. Collaboration in health services delivery

## **GRANT SUPPORT**

### **Ongoing**

Department of Veterans Affairs, Central Office. National Evaluation of VA Primary Care – Mental Health Integration Initiatives. Director, 2007-present, (40% effort; \$384,000 annually; XVA 41-035). Evaluation program includes 3 faculty-level investigators, 6 core staff members.
